NEWS RELEASE

Police Investigate Tuesday Evening Collision

Date/Time: 04-07-15 @ 10:28 pm
Location: 4900 N. Mesa
Vehicle 1: gold 2000 Pontiac Grand Prix
Driver 1: 23-year old Male
Vehicle 2: red 2008 Dodge Avenger
Driver 2: 19-year old Male

EL PASO, TEXAS: Investigators assigned to the El Paso Police Department's Special Traffic Investigations (STI) unit responded to assist Westside patrol Tuesday evening with a traffic collision that resulted in serious injuries. The investigation revealed that a 23-year old male was driving a gold 2000 Pontiac Grand Prix southbound on Mesa making a left turn onto Argonaut. The driver of the Pontiac attempted this left turn at the same time a 2008 Dodge (driver by 19-year old male) was north bound on Mesa with a green light. The front of Dodge collided passenger side of the Pontiac and as a result a 2-year old (female) rear seat passenger was ejected from the Pontiac and sustained serious injuries. She was transported to University Medical Center (UMC) for treatment. Other passengers in the Pontiac were a front seat 20-year old female and a rear seat 11-month old male who both sustained minor injuries. The driver of the Pontiac sustained minor injuries as well. The Pontiac was equipped with car seats. The driver of the Dodge was uninjured. This investigation continues.
